

# **The Sacrifice of a Soldier**

By: Lauren Adams

Grade 7

Homeschool

They make the way, our lives they save,  
In battles fought they are so brave.  
Because of their bravery and courage so strong,  
They make our life and country throng.

Through storms and trials, they stood their ground,  
Their love for our country is always found.

Together our hearts entwine,  
As we celebrate the brave divine.
